# Workshop on Insurance and Financial Mathematics

IFRS 17

# Thursday

---

## Actuarial view on the implementation topics of IFRS 17

**Speaker Vjaceslavs Geveilers**

Vjaceslavs Geveilers is director in the Insurance Consulting of KPMG. His work comprises actuarial and accounting consulting in different topics of relevance for CFOs and CROs in the insurance industry. For example, Vjaceslavs Geveilers is leading the IFRS 17 Insurance

Contracts implementation consulting in a number of international insurance companies, focusing on financial transformation. He is an active member of the DAV and works on IFRS 17 implementation topics in the working group IFRS.

### Location

KPMG  
Ignition Center  
Prinzenstrasse 23  
30159 Hannover

# 17 October 2019

## IFRS 17: a new paradigm of insurance accounting

### Speaker Jens Chyba

Jens Chyba is head of the Competence Center of International Accounting at Hannover Re SE. His work includes resolving numerous issues in the fields of IFRS and US GAAP accounting. Jens Chyba is a project manager of Hannover Re's multiple-year IFRS 17 implementation project program responsible

for transforming IFRS 17 into future accounting and reporting practice. Furthermore, as an active member of the working groups of the European Insurance CFO Forum, he participates in developing IFRS 17 Insurance Contracts from an issuer's perspective.

The workshop is free and open to all interested participants. Please register for the workshop until 15 October 2019: [sekretariat@stochastik.uni-hannover.de](mailto:sekretariat@stochastik.uni-hannover.de)
